THE WEDGWOOD BALLROOM

The Coastal Terrace

The Coastal Terrace was unveiled in summer 2017 and features a custom-made dome with open sides in front of a stone tiled terrace and decorative plants. Located within the private gardens of the hotel, it has panoramic sea views and gives couples the opportunity of saying their vows outside within the Hydro's unique setting.

The sea makes a particularly special backdrop behind the wedding couple. The Coastal Terrace is approached via a stoned tiled path for easy access and grand bridal entrance. Should the weather be inclement, the wedding ceremony can be held within the hotel.

Licensed for civil ceremonies – maximum 80 guests seated; 100 standing

The Wedgwood Ballroom

The Wedgwood Ballroom is an elegant room located on the first floor, complete with private balcony overlooking the sea. The room features a solid wooden floor, decorative walls and ceilings in the traditional Wedgwood style, plus chandeliers. It makes an ideal room for a civil ceremony and can also be used for a wedding breakfast.

The Drawing Room

The Drawing Room offers a more intimate space for smaller wedding ceremonies. It features a high ceiling, fine art and soft lighting. It is easily accessed due to its location on the ground floor of the hotel.

The Garden Suite

The largest function room in the hotel, The Garden suite is a light and air-conditioned venue with sea views and private terrace overlooking the south coast. It can host both a wedding breakfast and evening reception. It has its own bar, reception area and cloakroom facilities. The outdoor terrace is an exclusive space for the Garden Suite and makes a lovely setting for summer weddings watching the sun set and enjoying the sound of the waves.
